RATCHELLA IS A DIY MULTIMEDIA MUSIC FEST

we call it rat***** online bc
last year coachella asked us nicely (not nicely) to not
use their trademarked "chella"
we said
ok

at rat***** everyone is included
if you wanna be involved there is a way to get involved
no one is turned away for lack of funds
no one is disposable
not even rats.

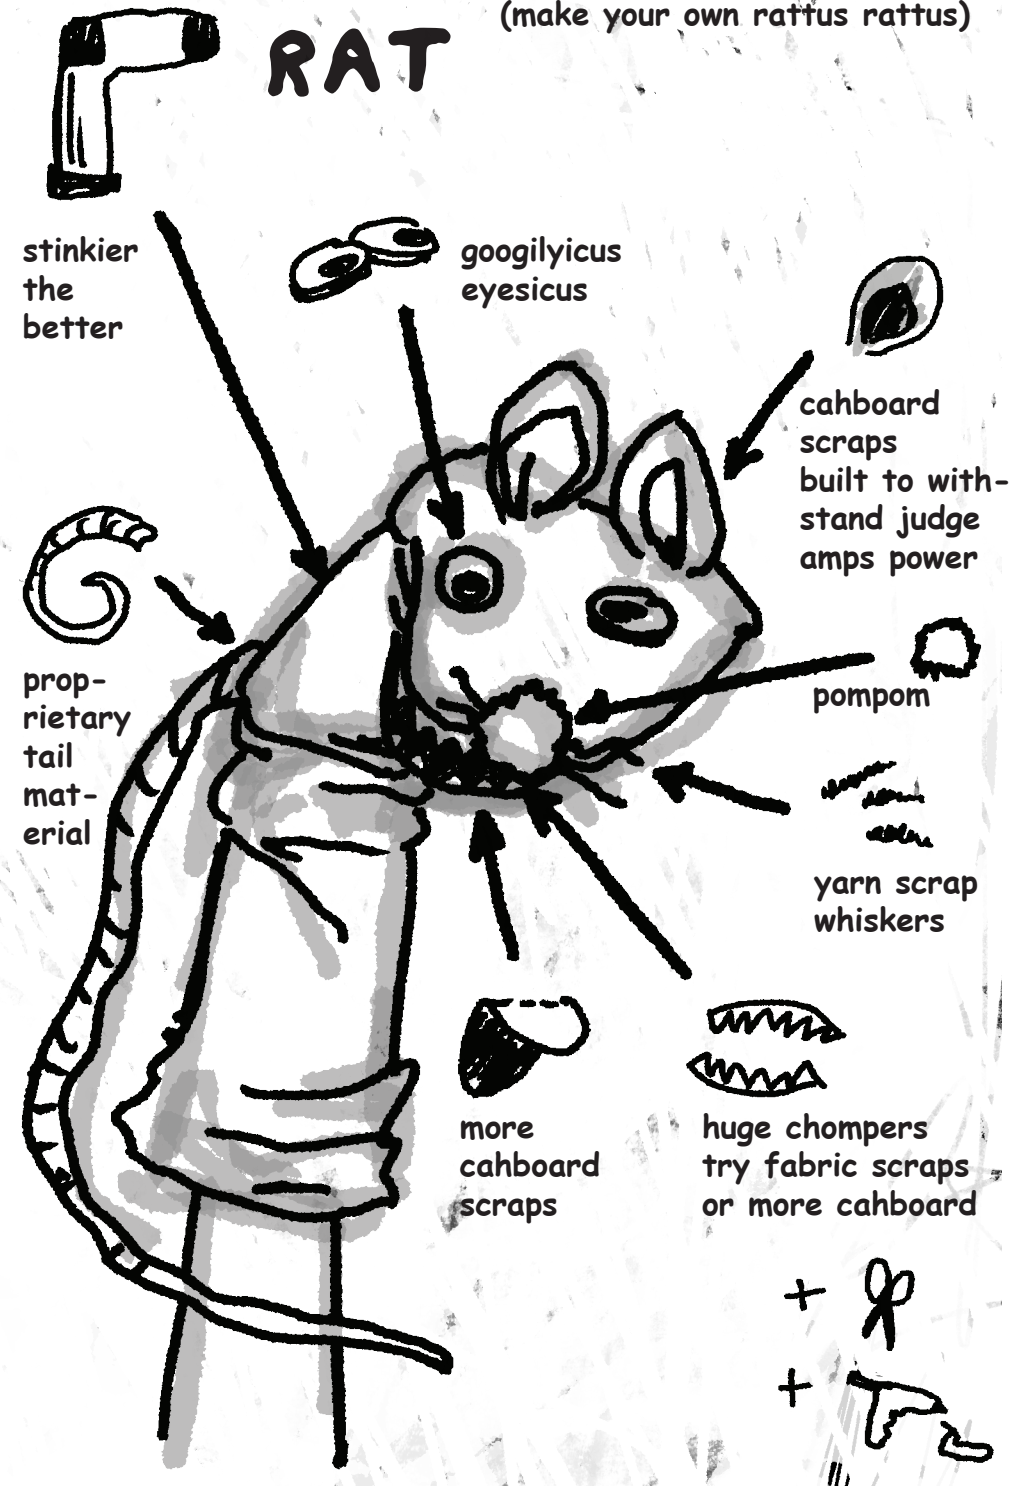

we believe that by
partying with our
neighbors, we
build solidarity in
the neighborhood

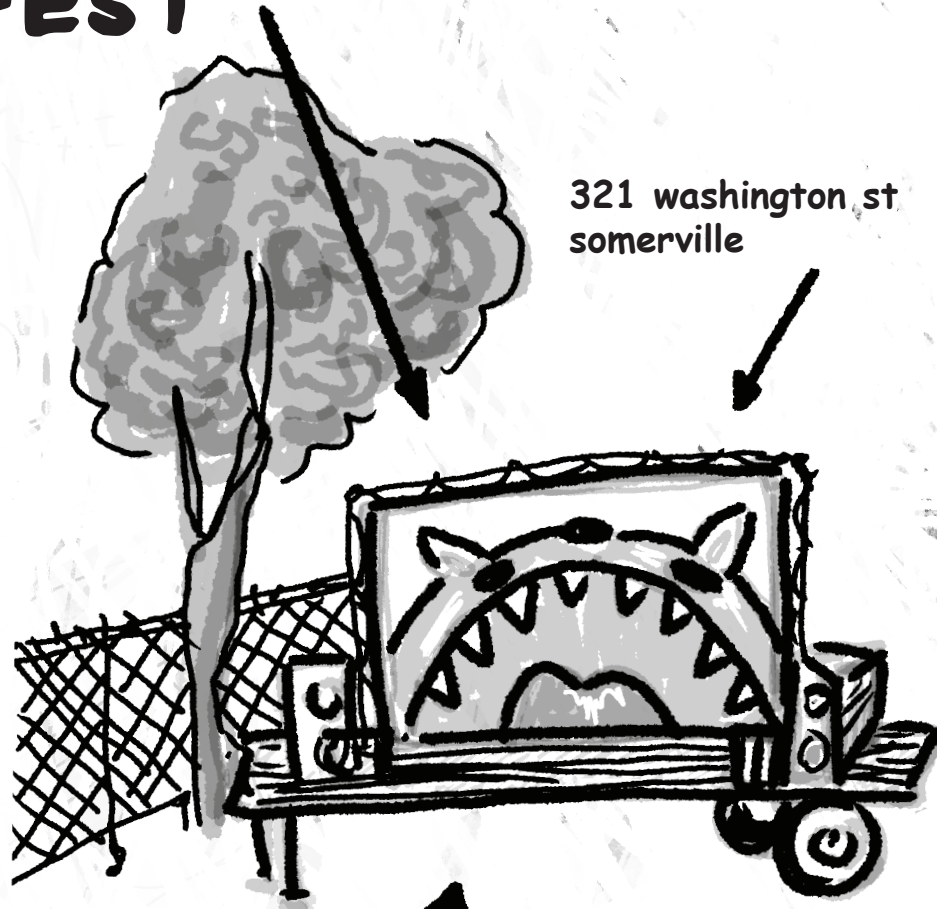

where your joy
goes, your grief
and rage are
welcome
